VENTURA

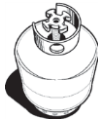

Amerigas – 805/642-0218

Standard Industries – 805/643-6669

Charges may apply at above locations.

Cylinders are also accepted at the HHW Collection Programs listed in this brochure (except the Simi Valley HHW Program).

Home Depot and Lowes accept cylinders as part of an exchange program. Call your local store for information.

RECHARGEABLE BATTERIES

Nickel Cadmium (Ni-Cd), Nickel Metal Hydride (Ni-Mh), Lithium Ion (Li-Ion) and Small Sealed Lead (Pb) are accepted at many locations in Ventura County. Call 877/273-2925 or online at www.call2recycle.org

SMOKE DETECTORS / ALARMS

Most smoke detectors contain a small amount of radioactive material and cannot be accepted at HHW collection programs. Manufacturers must accept them for disposal as hazardous waste. Homeowners can mail smoke detectors / alarms back to the manufacturer by UPS, DHL, or FedEx ground marked "For Disposal Only".

ELECTRONICS

Televisions, computers, printers, scanners, copiers, VCRs & DVD players, cellular phones and other mobile devices, cannot be placed in the trash. These items can be taken to some of the HHW collection programs in this brochure. Waste Management/G.I. Industries customers of Moorpark, Simi Valley, and Thousand Oaks may call 805/522-9400 for options offered by their trash hauler. Please visit www.vcpublishworks.org for businesses that accept electronic waste. A nominal fee may apply.

Household Hazardous Waste (HHW) Collection Facilities

For additional information, call the facility or your local Recycling Coordinator. Businesses that qualify as Conditionally Exempt Small Quantity Generator (CESQGs) can participate in most of the programs below for a nominal fee.
