

YOUR ANNUAL WATER QUALITY REPORT IS NOW AVAILABLE ONLINE

Each year, Ventura County Waterworks District Nos. 1, 17, 19, and 38 (Districts) provide an Annual Water Quality Report to give customers information about the quality of the Districts' water, where the water comes from, and how it compares to Federal and State standards. The State Water Resources Control Board's Division of Drinking Water allows electronic delivery of the report. Visit us online to view the 2017 Water Quality Report at: <http://pwa.vcpwworks.org/wsd/publicationsanddocuments/>

If you prefer a paper copy, you can print one directly from the website or you can also receive a printed version by contacting the Ventura County Water & Sanitation Department at 805-378-3000.

Attention landlords, businesses, schools, and other groups: Please share this information with tenants, students, and other water users at your location who are not billed customers of the Districts.

This report contains important information about your drinking water. Translate it, or speak with someone who understands it. Este informe contiene información muy importante sobre su agua potable. Tradúzcalo o hable con alguien que lo entienda bien.
